

User Advisory Committee Meeting This Thursday @ Noon

Join us online with our [ZOOM](#) link, or in person in NRF 115 at noon for July's User Advisory Committee meeting. We will be discussing tool status updates, facility updates, and recent policy changes at this meeting. Feel free to voice any concerns or issues you may have been experiencing at this meeting. RSC staff are available to review any concerns, or assist with any procedure changes that may need to be made to address these issues.

Got a little more free time? Alison and Amelia will be attending the M&M conference in Cleveland next week. To better prepare they will be giving a practice run of their presentations immediately following our UAC meeting. Everyone is welcome to stay after the UAC to watch these presentations and give feedback.

Upcoming RSC Events:
