

Ongoing Door Access Issues

Attention all users. The NRF is still experiencing ongoing and intermittent access issues affecting users and staff. We have noticed the issue is affecting mobile access (phones) more than the NFC cards. If you have trouble opening the doors with your phone, and have a physical GatorOne card with NFC chip give the card a try. If you still cannot open the doors, please come to the front desk to check out a visitor pass. We only have a few of these available, so please return them as soon as your work for the day is complete. If Andres is available he may try resetting your access, in many cases this will immediately reset your ability to open our doors, if he is not available please send an email to [NRFinfo](#) so he can fix it when he returns to his desk. This "fix" appears to be a short term solution, and your card may stop working again as the UF Lenel team attempts to resolve the larger issue. Be cautious when working after hours, as staff may not be present to let you back in if your door access stops working.

Upcoming RSC Events:

- Game Night - NRF 115 - Thursday March 20th at **5pm** [RSVP](#)
- User Advisory Committee Meeting - [ZOOM](#) + **NRF115** - Thursday 3/27 at Noon

*_

- [Ongoing](#): New publication? Data collected at the RSC? [Click to tell us!](#)
 - Still writing? Check out our new easy acknowledgement [templates](#).
- [Ongoing](#): [Submit Photos for the Annual Nano Day Image Contest: It's very early but you can submit your image for the 2025 Contest \[HERE\]\(#\)](#)

Safety Side Note:

Do you need to sign up for HF training?

If you were an early adopter (2023) or are a new user now is the time to renew/complete this in-person training to maintain/gain cleanroom access. These courses are offered only in person, are run by EH&S, and require recertification every 2 years. Check your trainings, if this training expires you will lose access to the cleanroom. You may need to reach out to [EH&S](#) to get registered for a course.
