

## Welcome Back

We hope you all had a relaxing and enjoyable spring break. As we head into the final stretch of spring semester, don't forget to keep the cleanroom storage areas clean. Be sure all your research materials fit **INSIDE** your green baskets, and if you need an extra be sure to request one from staff. Research samples should not be stored on the shelves outside of the green baskets. No samples should be stored in the work areas in the cleanroom, or in any of the workspaces at the NRF without prior consent from staff and appropriate labeling.

Join us Thursday for the monthly UAC meeting, see the zoom link in the events list below. We have some exciting tool updates to share this month.

---

## Upcoming NRF Events

- Users Advisory Committee March 26th, Noon - NRF 115 or [Zoom](#)
- Game Night Thursday **April 16th**, 5-8pm, NRF 115 Click to [RSVP](#)

\*\*\*\*\*

- **Ongoing:** Do you feel like you need some practice time on a tool before you start paying to use it? [Email us](#) and ask about scheduling a subsidized extended training practice session.
  - **Ongoing:** New publication? Data collected at the NRF? [Click to tell us!](#)
    - Still writing? Check out our new easy acknowledgement [templates](#).
  - Miss something from a previous week? You can find our weekly update archive on our Microsoft teams channel. [Click to Join us on Teams!](#)
- 

## Safety Side Note

Help us keep supplies in stock, and keep waste to a minimum. When using solvents, only take what you need. A wafer bath should only be as deep as the wafer, more is just excess waste.

---

“May ya live as long as ya want, and not want for as long as ya live” is an Irish toast.

“Bread, cinnamon, eggs, and maple syrup” is a French toast.
